

E-Scooter Parking Policy

Recently the City of Coral Gables approved an app-based, pay-as-you-ride electric scooter pilot program. While the university does not have a partnership with the e-scooter companies, scooters are showing up on campus and are parked illegally. In an effort to encourage e-scooter parking compliance, if you see a scooter blocking access to entryways, doorways, walkways, and ADA ramps contact UM Police at 305-284-6666.

Scooter riders must follow university's scooter parking policy. [Click here](#) to familiarize yourself with the e-scooter parking policy.
